

G. O. P. Candidates Talk to Gathering Here Last Evening

Rowe, Stratton, Nickell and Allen Talk Political Issues

Denouncing the new deal policies of "funny money," four Republican candidates—Richard Yates Rowe, candidate for state treasurer; William G. Stratton, candidate for congressman-at-large; Vernon L. Nickell, state superintendent of public instruction, and Rep. Leo E. Allen, last night called on local voters to end confusion in Washington and to continue their party's sound policies in Springfield.

They spoke before approximately 300 people at a public meeting in the Circuit courtroom of the courthouse. Prior to the meeting they were guests at a dinner given at the Elks club by County Central Committee Chairman H. C. Warner for them and members of the committee.

Hits Heavy Debt

Rowe, a member of the Illinois Budgetary commission, scored the new deal financial policies which "increased the federal debt about 500 per cent before we even heard of war," and contrasted them with the program followed in Illinois, where a surplus of \$180,000,000 has been built up.

"Illinois has been on a pay as you go basis," he declared. "Resources have been carefully husbanded. Gov. Green has reduced the sales tax from three cents to two cents, and in addition, built up 180 millions of surplus for veterans and post-war planning."

The Democratic record in Washington he termed a "carnival of waste and corruption."

Stratton, a veteran of naval service on Okinawa, declared that "the campaign issues have never been more clearly drawn than this year. It is one-man rule and arbitrary power, or real American government."

"Americans," he said, "want to get back on a peace-time basis and get something done in Washington." He scored the Truman administration's foreign policies, terming them "confused, vacillating, and often treacherous."

Urge Heavy Vote

"We must stand ready," he said, "to help and encourage the forces of decency and humanity throughout the world while remaining steadfast in our opposition to those doctrines, whether called communism, fascism or imperialism which seek to deny the rights and dignity of the human being."

Strife-Torn Greek Land Prepares for Return of Monarch

King George Takes Off From England Today to Resume Throne

London, Sept. 27.—(AP)—Aboard a private plane flying the Greek royal colors, King George II of Greece left England this morning to resume the throne of the strife-torn land from which advancing German armies drove him five years ago.

The Greek government has made elaborate plans to welcome the 56-year-old, Danish-descended monarch tomorrow morning when he returns from the second exile of his reign, which began in 1922. Strict police precautions have been arranged to guard him upon his return, coming amid fierce border fighting and civil strife in northern Greece which Premier Constantin Tsaldaris said Wednesday had reached the magnitude of war.

King George, summoned back to his throne by a better than two to one margin in a Sept. 1 plebiscite, was attired in a be-medalled uniform of commander-in-chief of the Greek army as he strode across the flying field towards his plane. He laughed gaily as he shook hands with personal friends assembled to see him off. For photographers he embraced and kissed his cousin, Marina, Duchess of Kent, who wept. He also embraced and kissed Princess Natasha, who had accompanied him in his car from Claridge's. Princess Natasha Bagnat, member of a distinguished Russian family, is employed by the British foreign office, where she is known as Mrs. Johnson, having married a Briton. The plane, carrying George and a seven-man entourage, took off at 5:05 a. m. (2:05 a. m. EST), and an official spokesman later said the ship would land on Greek territory this evening, but he would not say exactly where.

Jewels Not Only Things Missing, Tell Hesse Court

Frankfurt, Germany, Sept. 27.—(AP)—Former WAC Capt. Kathleen Nash Durant rested her defense today in her trial on military charges of complicity in the theft of \$1,500,000 worth of Hesse family jewels from the Kronberg castle.

Mrs. Durant declined to be questioned on the theft charge and took the stand only briefly to testify on a companion count of being absent without leave from her army post. Her defense was completed in a day and a half, and her attorneys asked a recess until Monday to prepare final arguments.

A defense witness testified that the Hesse jewels were not the only valuables to disappear from the castle after it became a U.S. army officers' club.

Under the army's lax system of accounting, however, there is no record of what royal furnishings may have been looted, they said, because no inventories were taken, no receipts were required when the property was moved and no restrictions were placed on the authority of officers in charge of the castle to remove its contents.

Maj. R. Q. Brown, former officer of the headquarters command which included the castle club, testified that when the British royal librarian obtained some documents from the castle's library he was not required to give a receipt for them.

Mrs. Durant, a former WAC captain accused of helping two other officers steal \$1,500,000 worth of crown jewels, "had authority to transfer property from the castle," testified Maj. Joseph Hartley, who was her superior officer when she was in charge of the club.

"But did that authority include

Farm Girl, 14, Sees With Cornea of Baby

Chicago, Sept. 27.—(AP)—Bette Goudy, 14-year-old farm girl who has been blind since birth, saw for the first time yesterday after an eye operation that was described as completely successful.

Better underwent a special operation two weeks ago. A cornea from a stillborn baby was transplanted to her right eyeball by Dr. Richard Perritt.

Bette said after the bandages were removed that she was able to see hand movements, fingers and various colored flowers.

"Right now her brain and eyes are strangers to each other," said her father, Edmund Goudy. "They will have to get acquainted."

A Wesley Memorial hospital spokesman said that Bette's sight would improve and that the operation was successful.

Goudy and his wife, who brought Bette here for the operation from their farm home near Artesian, S. D., expressed delight at the results.

Dodgers Narrow Cards' Lead to One-Half Game

New York, Sept. 27.—(AP)—Baseball's "war of nerves"—the National League pennant race—still raged today, with the difference separating the front-running St. Louis Cardinals and the oncoming Brooklyn Dodgers once more half a game.

The Dodgers narrowed the gap yesterday when they defeated Philadelphia, 8-2, while the Cardinals were idle. The Brooks, idle today, still have two games to play as compared to three for the Redbirds. The Dodgers meet Boston twice in Brooklyn and the Cards clash with Chicago in St. Louis, starting tonight.

Hitler's Life an Open Book But Kilroy Remains a Mystery

Washington, Sept. 27.—(AP)—The statistic-saving, record-reversing army has the lowdown on 10,000,000 World War II soldiers, but it admitted today that on its most famous member it hasn't a word.

Who is this noted warrior? Why Kilroy, of course.

All over the globe, in the most surprising places, GIs have scrawled the words:

"Kilroy was here."

Nobody Can Explain
Who was Kilroy? Whence came he? How spread his fame from camp to camp, from division to division, from continent to continent?

An army major, of the Kilroy research corps, told a reporter there is only one answer to these questions:

"Nobody knows."

One version says it started with a Sergeant Kilroy, in a camp in Kansas. He was marked absent from some detail and his name was posted. Insignificantly Kilroy

Court Slaps Heavy Fine on A & P Chain For Monopoly Deal

Charge Company Trying to Monopolize Food Business of US

Danville, Ill., Sept. 27.—(AP)—The New York Great Atlantic and Pacific Tea Company and 24 officers and subsidiary corporations today were fined a total of \$175,000 following their conviction on charges of conspiring to monopolize a substantial part of the nation's food business.

Federal Judge Walter C. Lindley, in pronouncing sentence, vacated a portion of his conviction order of Saturday and found three other subsidiaries and one officer innocent of the charges, which were that the defendants restrained and monopolized trade in violation of anti-trust laws.

"I think in my anxiety to get this matter disposed of, I was in error concerning a finding of guilty as to these four defendants," he said.

Defendants acquitted were the Great Atlantic and Pacific Tea Company of Delaware, Great Atlantic and Pacific Tea Company of Vermont, Inc., American Coffee Corporation of Jersey City, N. J., and Francis M. Kurtz, vice president of the American Coffee Corporation.

Judge Lindley ordered five of the defendant corporations to pay the costs of the long range case. These included the New York Great Atlantic and Pacific Tea Company, The Great Atlantic and Pacific Tea Company of America, the Great Atlantic and Pacific Tea Company of New Jersey, the Atlantic Commission Company, produce buying subsidiary of A & P, and Business Organization, Inc., a public relations firm.

No official estimate has been made of the costs, but observers believed they would reach a high figure. The case began about 17 months ago and consumed 22 weeks of actual trial, with about 12 defense and eight government attorneys. There were more than 200 witnesses, about 30,000 pages of written records, and more than 5,000 exhibits.

No Sentence

No prison sentences were imposed on any of the defendants, although the maximum penalty would have provided for imprisonment.

Judge Lindley overruled a defense motion for a new trial and stayed the fines until further order, pending an appeal. Defendants have announced they would appeal the decision.

Among 10 defendants fined a total of \$10,000—\$5,000 each on the two counts of the criminal information—were John A. Hartford, 73, and his brother, George L. Hartford, 82, chiefs of the vast chain of food stores.

Maximum penalties would have been a year in prison on each count in addition to the \$5,000 fines on each count.

Judge Lindley in pronouncing sentence said "it would serve no purpose to enter a sentence of imprisonment." He cited a portion of his decision which said:

"Violation is ordinarily an economic offense, the seriousness of which is not related to the moral turpitude of the offender."

In addition to the Hartfords, defendants fined a total of \$10,000 were: The New York Great Atlantic and Pacific Tea Company, the Great Atlantic and Pacific Tea Company of America, the Great Atlantic and Pacific Tea Company of New Jersey, the Atlantic Commission Company, Business Organization, Inc., a public relations organization; R.

Judge Gehant Elected Vice President Sixth Judicial District Bar

County Judge Grover W. Gehant yesterday was elected vice president of the Federation of Local Bar Associations of the Sixth Supreme Judicial District in Illinois at the organization's 30th annual meeting in Sterling.

Other officers chosen by the group include Frank A. Oakley, Belvidere, president; John R. Snively, Rockford, secretary, and Roy H. Brown, Rockford, treasurer. The group selected Elgin as host city for the 1947 annual meeting, and will meet in Freeport for the 1947 spring meeting.

The sixth district includes Lee, Boone, Carroll, DeKalb, Jo Daviess, Kane, Kendall, McHenry, Ogle, Stephenson, Whiteside and Winnebago counties, and the cities of Aurora and Elgin.

Eviction Dispute Trial Scheduled for Oct. 3 Here

The court dispute over possession of the residence at 521 East Chamberlin street, involving Howard Smith and Bernard Reuter, was set for trial in Circuit court Oct. 3 after Judge George C. Dixon gave Reuter until Monday to file affidavits in the case, which Reuter appealed from the court of Police Magistrate Albert N. Kennedy.

Smith, who purchased the property April 9, was authorized by the OPA to take possession on or after July 11, but charged that Reuter has not given up possession of the property.

Kennedy's judgment, after a hearing July 16, held that Reuter was illegally in possession and ordered him dispossessed in favor of Smith. Reuter appealed the decision to Circuit court.

Delay Toland Sentence

Smith charges that Reuter has no legal rights to possession of the property, and has appealed the case in order to prolong his possession of the property.

Meanwhile, Judge Dixon continued a hearing to pass sentence on Benjamin E. Toland, found in contempt of court, until Oct. 4. Toland was found in contempt after hearings on the petition of Mrs. Edna Mae Toland, who divorced him April 5. He was in arrears on payments of \$10 weekly for the support of their two children and \$245, in lieu of alimony, at \$5 weekly, stipulated in the decree.

Study Woman's Trip

Hearings were also held on a petition by Thomas E. Sklavantis asking that his former wife, Mrs. Kathleen M. Bowers, show cause why she violated the judgment of Circuit court in taking a daughter, Anastasia, to Virginia, where she reportedly is now residing, without the court's permission.

She was divorced from Sklavantis May 3 and given custody of the girl, while Sklavantis was allowed to right to see the child at any time, the decree forbidding her from taking the child out of the state without court permission. That permission was denied her in a hearing here shortly after the divorce.

Sklavantis charges that he

Meat Situation of Nation Remains in Cattleman's Hands

By OVID A. MARTIN

Associated Press Farm Reporter
Washington, Sept. 27.—(AP)—Cattleman of the midwestern grasslands and the western ranges actually will determine the accuracy of President Truman's forecast of early relief from the acute meat shortage.

These farmers and they alone hold the power to boost supplies of meat in the near future. They are the only livestock producers who have any appreciable number of animals ready for slaughter.

Hogs won't be available in any volume before early December, and grain-fattened cattle won't be ready for market in any sizeable numbers before late winter.

On the other hand, farmers who grow and fatten cattle on grass have near-record herds. Some of their stock, however, is lean and underweight and unfit for slaughter. But some is fat and suitable for slaughter.

Good Market Now

This is the time of the year when grass-fed cattle normally start rolling to market.

Mr. Truman's prediction of an early improvement in meat supplies—made in a statement issued at his news conference yesterday—obviously was based upon an expectation that cattlemen will follow the normal marketing pattern.

But whether they do is a matter for speculation at the moment.

Assuming they do, the question undoubtedly in the minds of both Democratic and Republican leaders is whether the marketing run will come soon enough to relieve the shortage before the November congressional elections—and which party that relief would tend to help.

There can be no denying the meat shortage is, for the moment, a flaming issue in many congressional races. But each party has

Pittsburgh Supply of Power Sinks to Near Danger Point

No New Contract Seen to End Crippling Power Walkout

Pittsburgh, Sept. 27.—(AP)—The power supply in this industrial city sank nearer the danger point today as a strike of 3,200 employees of the Duquesne Light Co. entered its fourth day—with wage negotiations continuing but no new contract was in sight.

Public tenseness relaxed somewhat as an early morning union order sent 2800 streetcar motormen hurrying back to their jobs to man trolleys which had stood idle since 5 a. m. yesterday, crippling the city's transportation system and stranding thousands of workers.

The Pittsburgh Railways Co. announced it would continue to give the "limited" service it had been offering since the power strike started—50 per cent of normal "off-peak" operation, which meant that about 225 of the system's 1,200 cars would be running.

About 28,000 other workers remained idle as a result of power curtailments.

Electricity in Duquesne Light's lines overnight was reported at 31 per cent of normal, compared with 40 per cent yesterday and 45 per cent the day before.

Pickets marched in front of the company's power stations and sub-stations, where supervisory workers and officials of the firm tried to keep enough current flowing to supply vital needs. Some power was being furnished by other companies and many concerns but private generating plants in operation.

A negotiating conference late yesterday failed to produce tangible results and representatives of the company and of the independent association of employees of the Duquesne Light Company broke off without arranging a new meeting.

Mayor David I. Lawrence speedily summoned the conferees to his office in the city-county building where, after a session which lasted until after midnight, an agreement to resume contract negotiations today was reached.

The union, asking a 20 per cent pay raise and other benefits, rejected a company offer which would have given them five per cent. The union's demand would boost average base rates from \$1.18 to \$1.41. The union also, for the second time, rejected a company proposal to submit the dispute to arbitration.

Streetslights Still On
Street lights remained on throughout the 817-square mile area served by Duquesne in Allegheny and Beaver counties. Citizens had current in their homes

MacArthur Reveals Reasons for Early Air Losses in War

Says Bombers Couldn't Attack Early Due to Superior Forces

Tokyo, Sept. 27.—(AP)—General MacArthur today broke his long silence regarding the loss of ground of most U. S. airplanes in the Manila area on the very first day of the war with the statement: "Our air forces *** were hopelessly outnumbered and never had a chance of winning."

"Our air forces in the Philippines, containing many antiquated models, were hardly more than a token force with insufficient equipment, incomplete fields and inadequate maintenance," he elaborated. "They were completely overwhelmed by the enemy's superior forces."

MacArthur was prodded into his long-awaited statement by charges made by Lt. Gen. Lewis H. Brereton, commander of the Philippine Air Force in 1941, in his book, "The Brereton Diaries," recently published. Accounts received here said Brereton wrote that he had requested permission of Lt. Gen. Richard K. Sutherland, then chief of staff, to assault Formosa. It was from Formosa that the Japanese bombers flew to attack the Philippines. Brereton said the permission was withheld so long that the available small force of B-17 bombers was destroyed on the ground at Clark Field, 90 miles north of Manila.

Couldn't Have Attacked
MacArthur replied that American fliers could not, have attacked Formosa before the Japanese planes wiped out the Philippine-based bombers on the first day of the war. His statement was issued to the press in reply to questions regarding Brereton's book.

"General Brereton never recommended an attack on Formosa to me and I know nothing of such a recommendation having been made," MacArthur stated flatly. "In the short interval of time involved, it is doubtful that an attack could have been set up and mounted before the enemy's arrival."

In his annual report, Gen. H. H. Arnold said three-fourths of the available B-17s in the Philippines—the only heavy bombers based there—were destroyed on the ground at Clark Field. We in the Philippines (Brines was an Associated Press correspondent in Manila at the time) were informed of this fatal assault at 1:30 p. m. on Dec. 8, 1941 (Manila time)—the first day of the war—when U. S. planes returned for refueling after once having been in the air.

Places No Blame
MacArthur, who commanded U. S. defense forces in the Philippines, said he attached "no blame to General Brereton or other members of the command for incidents of the battle. Nothing could

Swift Meat Company Build Plant in Iowa

Chicago, Sept. 27.—(AP)—Swift and Company announced today it had taken an option to purchase a 38-acre tract, one mile southwest of Clinton, Ia., as the site of a meat packing plant.

John Holmes, company president said negotiations were proceeding now for acquisition of the site from the Paulson estate. He said the plant the firm intends building would handle cattle, calves, hogs and lambs.

Start of building operations, Holmes added, will be governed by the availability of building materials "and other prevailing conditions."

Economy, Efficiency Prompt Army's Discharge Speed-Up

Washington, Sept. 27.—(AP)—The army greased the skids today for a big share of its 300,000 wartime draftees still in uniform.

The objective is two-fold: Economy and efficiency.

But while the War department announced plans to advance by as much as six months the discharge date for many of the men, officials emphasized that there will be no cutback in draft quotas or in the campaign for volunteer recruits.

Need Top Efficiency
As one top war department staff official put it to a reporter:

1. Advance the dates for release for the "non-regular army" enlisted men will eliminate many whose services are of limited value because they have only a few more weeks or months left to serve and hence tend to mark time.

2. These men will be largely replaced by draftees or volunteer recruits who will serve from 18 months to three years.

3. In the process of cutting

back by a full third—from 1,550,000 men in June to 1,070,000 by next July—"it's imperative that we keep a top efficiency."

Draft Officers Too

Last night's order directed the discharge of "certain categories" of non-regular army enlisted men who (a) are on duty in the United States, (b) are within six months of eligibility for release under existing regulations, and (c) can be spared.

Similarly, those arriving from overseas who are within six months of being eligible for discharge will be separated without delay.

Men within six months of release who have been accepted as college or university students will be released "with as little delay as possible," whether they are in the United States or overseas.

Earlier this week the release date of many officers similarly was advanced by six months or more under the economy edict laid down by President Truman.

Flood Waters Hit San Antonio; Fear Six Persons Dead

San Antonio, Tex., Sept. 27.—(AP)—At least six persons were believed dead, scores were injured, and hundreds are missing as the worst flood since the 1921 disaster struck San Antonio. Rain continued to fall today.

Property damage was estimated at millions of dollars and literally thousands of residents were made homeless by the flood waters. More than six inches of rain fell in 12 hours.

Flood waters behind the Olmos dam reportedly reached a depth of 35 feet and traffic across the dam was halted by police orders.

At the height of the flood transportation in many portions of the city was halted and hundreds of automobiles were stalled while their occupants waded to safety across streets where water was running with dangerous swiftness.

Early today police broadcast appeals for boats and outboard motors after army authorities had placed a number of amphibious vehicles and rafts into service.

The highway leading to Corpus Christi and South Texas was closed by flooded Salado Creek, which today was one mile wide. Usually it is a slow trickle of water a few feet in width.

Beautifully landscaped San Antonio river, which winds through the heart of the downtown area, was out of its banks. In some places streets were six feet deep with water.

Movie Pickets Hint at Film Strike Violence

Hollywood, Sept. 27.—(AP)—The movie strike entered its second day with Conference of Studio Unions leader Herbert K. Sorrell telling newsmen that "there may be men killed before this is over, but we're in no mood to be pushed around any more."

Police jailed 12 pickets yesterday.

"This strike will go on for at least three weeks," Sorrell predicted.

The Superior court, acting at the behest of Warner Brothers studio, granted a temporary restraining order limiting the number of pickets within 200 feet of that big plant to 50. It also prescribed that only eight pickets be stationed at the main gate, and four at other entrances.

"Intimidation, coercion, violence, cursing, etc.," said the order, will not be tolerated.

The resumption of CSU picketing yesterday in the jurisdictional fight with International Alliance of Theatrical Stage Employees caused production to be suspended temporarily at MGM and Warners. These two studios, Sorrell claimed, are the principal targets of the CSU because "they are the worst anti-union studios."

Weather Looks Good For Saturday Games

Chicago, Sept. 27.—(AP)—Comfortable, fair weather, with the exception of possible showers in the southwest and east, is in store for football fans for tomorrow, but temperatures might make it warm for the players.

Here is the situation, as reported by the Chicago weather bureau:

East—possibility of some rain around Buffalo, N. Y., and some precipitation indicated for Kentucky and Ohio. The weather bureau said showers might not come at game time and would be of short duration.

Pacific coast—fair and warm weather.

Midwest—temperatures in the upper 60s in the Northern Lakes region and in the low 70s in Iowa, Missouri, Illinois, and Indiana. Rather windy in Michigan, Indiana, Illinois, Wisconsin and Iowa.

Let's Look at Dixon's \$15,000,000 Industrial Stake

Dixon's Industries Have \$5,500 Invested for Every Employee!

TOO few people know what it takes to keep the wheels of industry turning . . . to make jobs for family bread-winners. Too few know how far, beyond tiling pay envelopes, industry's contributions actually go. Why local industries "happened to be" so well-equipped for wartime tasks, or what facilities they must have to meet peacetime problems. Too few people realize how large their own stake in industry is—how their security and opportunity are so closely linked with the future of industry. And many times, too few industries realize how large is their responsibility to the people and the community!

Dixon Industry Believes in Dixon

Confident of the future growth and continuing betterment of the community, industries here have accepted their responsibility and have already invested well over \$15,000,000 in Dixon—their way of saying that Dixon is a good place to live and to work.

Just what does this \$15,000,000 mean? It means land, buildings, furnaces, machines, tools, trucks. It means a layout of more than \$5,500 for each worker in Dixon industry. It is what enables industry to produce efficiently, meet competition, and pay good wages—it means employment for Dixon people.

And 3 out of every 4 employed in Dixon are employed in industry! It's easy to see then why the success of these industries (and therefore of Dixon) depends upon their continuing ability to manufacture products that others all over the world are willing to buy.

More employment will mean more investment by industry. Increasingly favorable conditions here will not only encourage present industry to increase its investment, but will also serve to invite new industries to make their home in Dixon.

LET'S LOOK AT DIXON: Our industries have greater production capacity for needed peacetime goods than ever before . . . our business establishments have war-starved markets to supply. Humming factories provide the life-blood of a community like Dixon—make prosperous people, busy stores. You can help Dixon on the march by making Dixon attractive to industry, by making it a good place to live and to work.

3 of Every 4 Employed in Dixon Are Employed in Industry

South Central Has Big Attendance at First P.-T. A. Meet

The South Central P.-T. A. met Wednesday afternoon at 2:30, the parents having the opportunity to visit the classrooms until 3:30. Following the visiting period there was a very good representation of about 170 parents gathered in the auditorium for the business meeting. The president, Mrs. Wilbur Fulfs, called the meeting to order. The special teachers were introduced and given a few minutes to speak on the purposes of their work. Miss Jacquelin Silkroff, teacher for corrective speech, explained her work among the children with defective speech and hearing. She announced that the first speech tests had been given and that a hearing test would be given Wednesday afternoon and Thursday morning, October 2 and 3, to those children who need it or those whose parents desire such a test. The parents may call Miss Silkroff or Miss Buchanan for an appointment.

Mr. Cucci, the music director, explained the plan of group instruction which he has instituted this year. He also urged parents with children in the fourth grade and above to encourage the children in musical pursuits and if possible for them to obtain an instrument for the child that instruction would be free of charge at the school on his regular teaching days. Band and orchestra groups are the goal toward which he is working.

Miss Wilma McCune, child guidance counselor, and new with the faculty this year, was introduced. At that time she announced a course on child rearing which she will conduct at the high school beginning Tuesday, October 1. The time is 2:00 to 3:15. All the parents who might be interested are urged to attend. Subjects which are of common interest will be discussed at each of the ten meetings.

Miss Mary Alice Buchanan, the principal, greeted the parents with a few words of warm welcome. She extended an invitation to them to feel free to visit the classrooms whenever they had an opportunity. Their interest in the work of the school would encourage the instructors and be an inspiration.

A. H. Lancaster, school superintendent, also greeted the parents and expressed the desire that fine relations would exist among the parents and teachers.

Two new officers were elected to replace those who had resigned since the spring election. The new officers were secretary, Mrs. N. V. Christensen, and treasurer, Mrs. Raymond Herbert.

The finance chairman announced a rummage sale and a food sale had been planned as a means of making money for the year. The dates for these will be announced later. Also the committee had greeting cards, stationery, and personal name stickers for sale.

The association voted to allow funds to be given to the Boy and Girl Scout drive.

The teachers and their room mothers were introduced and a room count made with the attendance award going to Mrs. Herbert's fourth grade.

The teachers and room mothers are: Kindergarten, Miss Westfall and room mothers, Mrs. Bliss Cartwright for morning and Mrs. Theodore Hill for afternoon class; Miss Slothower, first grade, Mrs. Hand and Mrs. Ted Rhodes; Miss Jamison, first grade, Mrs. Ray Kline and Mrs. Walter Krug; Mrs. Moser, second grade, Mrs. Kenneth Tripp and Mrs. Eugene Gordon; Mrs. Youngmark, second grade, Mrs. John Hoffman and Mrs. Robert Kernon; Mrs. Hermann, third grade, Mrs. Henry Busker and Mrs. C. E. Farster; Mrs. Samson, third grade, Mrs. Paul Beausiegnier and Mrs. Norman Smith; Miss Scott, fourth grade, Mrs. Jenks and Mrs. Nelson; Mrs. Herbert, fourth grade, Mrs. Ralph Newman and Mrs. Curtis Pittman; Miss Williford, fifth grade, Mrs. Paul Stripe and Mrs. Byron Countryman; Miss Secker, fifth and sixth, Mrs. Claude Horton and Mrs. Aughenbaugh; Miss Burkard, sixth, Mrs. Starks and Mrs. Bon Sitter; Mr. Mills, seventh, Mrs. Higgs and Mrs. Quinn; Mr. Smith, seventh and eighth, Mrs. L. Cannon; Miss Buchanan, eighth, Mrs. Diehl and Mrs. Ryan.

The committee chairman were announced as follows: Publicity, Mrs. Eugene Gordon; hospitality, Mrs. Fred Hand; social, Mrs. A. Arehart; finance, Mrs. Flaye Plock; program, Mrs. Wayne Wolf; Scouting, Charles Sworn, Jr.; music and radio, Mrs. C. L. Wagner; art, Mrs. Erick Hagland; religion, Mrs. Joseph C. Mason; activity, Rev. Bliss Cartwright; hobby, Mrs. George Reed; health, Mrs. J. L. Tavenner; membership, Mrs. Harold Gerdes; secretary, Mrs. N. V. Christensen; treasurer, Mrs. Raymond Herbert; vice president, Mrs. Morey Pires.

At the close of the business meeting the parents were free to consult the teachers and under the leadership of Mrs. Hand and her committee many new parents as well as those from other years were introduced and made acquainted.

Coffee and doughnuts served from a long table attractive with fall flowers brought the afternoon to a close. Miss Buchanan and

North Central PTA Has First Meeting of 1946-1947 Year

The North Central Parent Teachers Association held its first meeting of the year Tuesday afternoon in the school gymnasium. The executive board met preceding the meeting with Mrs. Charles F. Johnston, Jr., P. T. A. president, presiding. Plans for the various events of the year were discussed. The dates for the annual "Book Fair" were set for October 28 and 29 and the bazaar will be held on November 15th.

Mrs. Johnston told of the general P. T. A. program which was adopted at a summer meeting of all Dixon P. T. A. presidents and expressed her desire for cooperation and greater accomplishments this year.

The following are the P. T. A. officers and room-mothers:

Officers
Mrs. Lou Hansen, vice-president and financial chairman.
Mrs. H. C. Reeder, secretary.
Mrs. Eva Wadsworth, treasurer.
Mrs. Harold Huffman, membership chairman.

Mrs. Omer Thomas, publicity chairman.
Mrs. Randall Warfel, music chairman.
Mrs. John Tagge, hospitality chairman.

Mrs. Henry Lovett—Mrs. Eva Wadsworth's seventh grade.
Mrs. Henry Potter—Miss Mollie Duffy and Mr. Krakow's eighth grade.

Mrs. L. W. Anderson—Miss Edith Scholl's eighth grade.

Following these introductions it was voted to give a donation to the Scout troops and to the current Boy and Girl Scout drive for funds which is being conducted in Dixon.

Miss Mollie Duffy, principal of North Central, introduced all the teachers and Mr. Cucci, band director, gave an interesting talk on the possibilities of expanding the school band and stressed the need for greater enthusiasm and participation in band work.

Miss Wilma McCune, guidance counselor, was introduced and explained in detail the new ten week's course in "Child Rearing" being presented by the Dixon Parent Teachers Association, which she will direct. These study periods will be held in room 125 in the Dixon high school building on Tuesday afternoon from 2 to 3:15 beginning on Oct. 1st.

Miss Jacquelin Silkroff, new speech correctionist in the Dixon schools, talked to the group and explained the various methods she uses in aiding children handicapped by speech defects and the accomplishments that can be realized through instructions of this type.

Other special teachers introduced included Miss Gertrude Wilhelm, Miss Marian Lawson, Miss Barbara Green, Miss Gladys Jamison, Miss Erna Holzen and Mr. Charles Roundy.

Mrs. Lou Hansen told of the plans for the annual bazaar to be held on Nov. 15. Mrs. Clyde Yount and Mrs. Harold Huffman are acting as co-chairmen for the

Mrs. Fulfs presided at the table. The refreshments were served by the room mothers of the lower grades and the social chairman. The next meeting will be December 4 with a scramble supper. Mr. Fraser of the high school faculty will be the speaker.

ANNIVERSARY SURPRISE
Mr. and Mrs. Jake Busker were happily surprised Saturday night when their daughter, Mrs. Curtis Pittman, planned a party for them in honor of their 39th wedding anniversary. After they had unwrapped the gifts, ice cream and cake were enjoyed. Mrs. Pittman baked and decorated the cake with a tiny bride and groom. Present were Mr. and Mrs. Henry Busker and family, Mr. and Mrs. Curtis Pittman, of Dixon; and Mr. and Mrs. Vernon Busker, of Louisville, Ky.

NURSES AIDES
The Volunteer Red Cross nurses aides held their first meeting Tuesday night with Mrs. Eloise Bates. After a short business meeting, a social time was enjoyed by the members after which delicious refreshments were served. The next meeting will be held Oct. 7, or the first Monday of each month hereafter.

WCSA HOLDS TEA FOR REV. AND MRS. TOPE

A meeting of the WCSA of the Methodist church was held in the church auditorium at 2:30, the afternoon of Sep. 19.

A short business meeting was preceded by a beautiful candlelight service conducted by the pastor, Rev. Merrill S. Tope, assisted by Rev. Merle Hall in which the following officers were installed for the ensuing year:

President, Mrs. F. G. Eno; vice-president, Miss Minet Wagner; recording secretary, Mrs. Crawford Thomas; corresponding secretary, Mrs. J. J. Schumacher; treasurer, Mrs. L. H. Cain; secretary of spiritual life, Mrs. E. J. Randall; secretary of missionary education, Mrs. M. S. Tope; Christian social relations and local activity, Mrs. E. F. Slagle; secretary of student work, Mrs. E. M. Greene; secretary of young women's work, Mrs. F. Randall; secretary of children's work, Mrs. B. Rittersbach; secretary of supplies, Miss Estella Anderson; secretary of literature and publications, Mrs. L. M. Jeffers; membership chairman, Mrs. Fred Ball; fellowship chairman, Mrs. Clarence Sproul; status of women chairman, Mrs. A. N. Boyd; publicity and printing chairman, Mrs. Merle Hall; chairman of circle I, Mrs. Helen Moeller; chairman of circle II, Mrs. Jo Van Meter; chairman of circle III, Miss Dora Breed; chairman of circle IV, Miss Estella Anderson.

Miss Wagner had charge of an interesting and informative program given by the officers, at which time each, in an informal manner, explained the duties and requirements of her office.

The work of the WCSA is extensive and far-reaching. The theme for the year is "Of Such is the Kingdom" and the study topic is India. The phase of the Crusade movement to be developed this year is "Stewardship." Attractive year-books were given out and there are still more if any lady of the church desires one.

Mrs. E. J. Randall, spiritual life secretary, closed the meeting with impressive devotions.

The tea and social hour was in honor of Mrs. Tope and Mrs. Hall and was in charge of circle II, Mrs. William Wiener and Mrs. R. L. Vest presided at the attractively decorated tea table. Mrs. Tope and Mrs. Hall were both presented lovely gladioli.

It is hoped that the meetings to follow throughout the year will be well attended. A very interesting, worthwhile group of programs has been planned.

WCTU TO MEET
The WCTU will meet at the Grace Evangelical church Tuesday, Oct. 1 at 2 o'clock p. m. Mr. Fred Krahler will speak on the "Growth of the Temperance Movement" and installation of officers will be held.

Mrs. Max Aughenbaugh and Mrs. Norman W. Dietrich will be the leaders for the meeting. A good attendance is desired.

YOUNG MOTHERS' CLUB HEARS TALK

The Young Mothers' Club met Wednesday evening at the home of Mrs. Robert Benson. It was decided during the business meeting to donate to the Boy and Girl Scout drive which is on in this area.

Harold Cook gave a most interesting discussion and demonstration on flower arrangements. He stressed the use of starting with a suitable container and holder, then arranging the bouquet to bring out the beauty of each flower or cluster of flowers. He gave a list of "do's" and "don'ts" in flower cutting and arranging which were very instructive.

Refreshments were served from a candle-lit table which was beautifully decorated by the flower arrangement that Mr. Cook had made during his talk and which he had presented to the hostess.

Mrs. Robert Benson poured and hostesses for the evening were Mrs. Frank Randall, Mrs. Sam Blimling, Mrs. Lyle Bellows, Mrs. Francis Bowers, Mrs. Wallace Elifson.

The next meeting will be held at the home of Mrs. Francis Bowers. Mrs. Josephine Killeen will present from films "Frozen Foods".

Dukes Open Road Slate at Morrison Tonight

Hosts Have Bright Record; Dukes Hold Small Weight Edge

PROBABLE STARTING LINEUP

Dixon	Pos.	Morrison
Worman	LF	Brown
Fuller	LF	Birely
Erwin	LG	DeLoe
McDonald	C	Bradley
L. Wells	RG	Green
S. Wells	RT	Raeck
Walters	RE	Geil
Jones	QB	Weir
Lehman	HB	Buell
Wahler	RB	Benson
Thoms	KH	H. Voss

Tonight is the night for the Dukes to shed their gloomy remembrances of last Friday and face a much-publicized Morrison squad under the Morrison arcs. As was the case last Friday, the Dukes won't be outweighed by any notable poundage, in fact they will be a pound or two heavier than their hosts. Coach E. M. Cote's lads scale around 160 pounds in the line and about 155 in the backfield. The Dukes, on the other hand, will average somewhere in the vicinity of 160 throughout.

The probable loss of Jack Schultz, senior play-caller for the locals, will mean a heavy deficit to Coach Marvin Winger's outfit, but he may see some action, and Lou Jones will be around to handle things if he doesn't. Dave Crawford and J. D. Barton are alternate starters for Louis and Sam Wells in the forward wall, and will undoubtedly see plenty of action.

Morrison possesses a break-away runner of top rank in Jim Buell, all-conference left halfback last season, and top scorer for the Morrison crew this year. In two appearances this season, he has shown blinding speed and beautiful broken-field running abilities. Left end Brown, captain of the Morrison bunch, is a top notch pass receiver, as well as a brilliant defensive man. Morrison's two games this year have brought home two victories, a 12-6 affair over Rock Falls and a 14-6 lashing of Savanna.

Coach Wallace Coon's lightweights, at full strength this week, after losing Hank Woodruff last Friday, have been put through some gruelling paces, and have shown some promising form. They will go into this meeting evenly matched with the Morrison fresh-soph squad, both teams having dropped their initial tilts. The probable starting lineup for Dixon's lightweights: McMillon, re: Nusbaum, rt: Pieschid, rg: Utter, c: Phelps, lf: Rinert, lt: Naffziger, lb: Kelley, qb: Santos, ln: Contreras, rh: Woodruff, fb.

Cubs Have Third High Attendance Mark, 1946

Chicago, Sept. 27.—(AP)—The Chicago Cubs, 1946 National League champions, closed their 1946 home season yesterday with the third highest paid attendance in the club's history.

The 5,269 fans at yesterday's 77th game at Wrigley Field this season boosted the season's paid attendance to 1,342,970. The club's highest paid attendance was in 1929, when 1,489,632 watched the Cubs in their march to the pennant. In the following season the total paid attendance at home was 1,467,881.

Yesterday's 5-3 victory over Pittsburgh gave the third place Cubs a record of 44 wins and 33 defeats at Wrigley Field.

Petroleum production reached an all-time high in July, 1946, with a total output of 153,000,000 barrels. This figure exceeds any month's production during the war.

As of Jan. 1, 1946, 31 of the governors of the states of the Union were under 54 years of age.

Greenberg Carries Home Run, RBI Lead In Junior Circuit

Needs Only Two Homers to Tie Month's Mark Set by Rudy York

(By The Associated Press)

Hank Greenberg, Detroit's hard-hitting first baseman, who yesterday collected his 43rd and 44th home runs, needs only one in each of the Tigers' last three games to break Rudy York's single month record of 18 established in August, 1937.

Hank already has slammed 16 home runs this month, although he has played in only 23 of the Tigers' 28 September games. Although he has reached the 40-mark in four-baggers four times, in only one other year has the big first baseman topped this season's total. That was in 1938 when he came within two of tying Babe Ruth's record of 60.

Has R. B. L. Lead

Greenberg has driven in 38 runs to take over the American League leadership in that department with 125, as well as 'n home runs.

Greenberg's pair of round trippers is the fourth time he has hit

two in a game this season, helped the Tigers defeat the St. Louis Browns 6-3.

The battling Brooklyn Dodgers cut the St. Louis Cardinals' National League to a mere half-game

when they defeated the Philadelphia Phillies 8-2 before a capacity crowd of 31,708 at Ebbets Field.

The Cards, idle yesterday, have three games left to play compared to only two for the Dodgers. Each team plays its remaining games at home, the Cards taking on the Chicago Cubs in all three games and the Dodgers clashing with the Boston Braves.

Both the Braves and Cubs are expected to offer stiff opposition, especially so since they are in a struggle for third place. At present only half a game separates them with the Cards having the edge.

Reiser Breaks Leg

The Dodgers' victory proved costly, however, since outfielder Pete Reiser suffered a broken bone in his left leg sliding back to first base in the first inning. He was taken to Peck Memorial hospital for X-rays.

The Cubs came up with four runs in the last half of the eighth to defeat the Pittsburgh Pirates 5-3 and break a three place deadlock with the Braves. As Boston was held to a split by the New York Giants.

Most Cooper nabbed the first game for the Braves 8-0 with a neat three-hit performance, but the Giants won the second 5-4, a pinch hit home run by Sid Gordon in the last half of the ninth decided the issue.

With Mickey Hatcher outpitching Jess Flores, the Washington Senators shut out the Philadelphia Athletics 2-0. Joe Grace's walk, Stan Spence's triple and Cecil Travis' single accounted for both Washington runs in the sixth.

Irish Test Illini Tomorrow; Memorial Stadium Filled Up

Notre Dame's Bid For National Honors to Be Threatened

Champaign, Ill., Sept. 27.—(AP)—Notre Dame comes out of its football corner swinging tomorrow against once-trying Illinois in a battle that will jam Memorial Stadium with a record 73,000 fans and may make or break an Irish bid for national laurels.

If Notre Dame fails to stop sensational Buddy Young, squat Illini buzz bomb, even the most rapid Irish followers will admit the South Bend school will not gain coveted revenge on Nov. 9 against Army's Dock Blanchard and Glenn Davis.

This September tangle which comes at a time when most major schools are indulging "breathers" has provoked almost as much interest as a carload of beef-steaks. Actually, one fan reported he swapped eight pounds of steak for a couple of ducats. Fans were converging on the twin cities of Champaign-Urbana loaded with sandwich baskets and coffee jugs as restaurants reported growing queues of hungry early birds.

Memorial stadium five times before has been filled to capacity. The largest crowd was 69,509 at the 1929 game with Army. For the Irish encounter, however, 4,040 extra bleacher seats were added, assuring a record throng of 73,049.

Ostensibly, the game's offensive fireworks will sputter from the flashy running of Young and the passing of Perry Moss, former Tulsa State for Illinois, and a Notre Dame attack built around Johnny Lujack's tossing, the swift strides of Bob Livingstone, Emil Sitko and Terry Brennan and the line-smashing of fullbacks Jim Mello, Gerry Cowling and Corwin Clatt.

But the outcome probably will hinge on a battle of Behemoth lines, composed mainly of strapping young ex-servicemen. The lightest player in Notre Dame's starting wall will be 195-pound George Strohmeyer, stoutest center from the Iowa Seahawks.

The left side of the Irish line will have Jim Martin, 205, at end; George Connor, 225, at tackle; and Bill Fischer, 225, at guard. The other side has Fred Rovai, 200, at guard; Ziggy Czaroski, 213, at tackle; and Jack Zilly, 200, at end.

Illini Outweighed

In front for the Illini will be Sam Zatkoff, 183 and Frank Baumman, 211, at ends; Mike Kasap, 231, and Bill Franks, 219, tackles; Bob Prymowski, 226, and Alex Agase, 191, guards; and Mac Wenskunas, 182, center. Anyway you look at it, the Illini will be out-manned.

Coach Frank Leahy can come up with three sets of backs of almost identical ability. His second string line has such former Irish regulars as end Bob Skoglund and guard Johnny Mastrangelo, and the No. 3 center, Wilk, was last year's starter.

Coach Ray Elliot of Illinois has three former Notre Dame stars, but only one, halfback Chick Magdich, promises to be effective against his old mates. End Bill Huber has a foot injury and overweight Julie Rykovich, star halfback on the 1943 Notre Dame team, has been slow to develop.

The Illini appeared unimpressive in their 33-7 opening triumph over Pittsburgh last week, but they may be ready to roll up their sleeves in earnest in this second start against Notre Dame.

by edging him out in the last game. Roy couldn't feel too bad, as he came up with one of his rare "500" series, a 502, to help his A. & P. win three last night.

Polo Rotary Club to Hold Series of Very Interesting Meetings

A series of four public meetings on the theme "Is Cooperation Possible?" will make up the third annual Institute of International Understanding to be sponsored by the Rotary club of Polo in cooperation with Rotary International.

Top-flight speakers will be presented on Oct. 9, 16, 23, and 30, discussing the situation in Europe, the Orient, and the U. N., among others.

The meetings, to be held in the Methodist church auditorium, Polo, at 8 p. m., are open to the public and will be followed by a forum session in which the public is invited to participate. No tickets are being sold this year.

The series is based on the fact that fear and mistrust are born of misunderstanding, but an intelligent public opinion on international affairs can go far in developing good will and cooperation.

More than half of all local deliveries of merchandise within municipalities are made by passenger automobiles, according to a survey made by the federal government.

In a postponed match from the Classic league, at the Lanes, the A. & P. team won three games from Coss Dairy. Bill Austin led A. & P. with 538 and Reis topped Coss with 442.

Benoy on the Lincoln Lanes five was the most consistent at the Lanes last night with four pins difference in his games of 130-130-134.

Art Dewey had the nearest alike at the Recreation with a three-pin spread in his counts of 142-145-142.

Proving it's the unexpected that wins bowling games, the same as any other sport, when Dick Joslyn kept all of his games over 100 last night, his Reynolds Wire squad won two sets.

All last year Ken Detweiler rolled a higher total on Thursday night than in any other league, and we notice that's the loop he chose to start this year's legging, and we'll be watching him tonight.

After noticing the Coss Dairy scores in their postponed match at the Lanes last night when 415 was high it might be a good idea for Barney Coss to take a half dozen quarts of his vitamin-packed beverage to the Lanes next Monday night, one each for four of them and two for Barney who was the low man on the totem pole with 369.

Clyde McConaughay, rolling for the first time in league bowling was, admittedly, scared to death last night in the Commercial loop but even at that his 382 was four pins more than that veteran of the lanes Eph Worton's 358 and only 23 counts less than the 405 Willard Jones collected with his "roll and hope" ball.

Things are probably a little more congenial between Manager Roy Krueger and his assistant, Bill Austin, for although Bill out-counted him

Crisher has warned the Wolverines that Indiana "will be an entirely different team from that which lost to Cincinnati last Saturday."

The Wolverines held a light workout yesterday and Crisher booked a short signal drill for today. Indiana's 36-man squad left by automobile for Ann Arbor yesterday and was scheduled to work out at Jackson, Mich., today.

Also en route to open the second big nine contests was Purdue's 56-man squad which left yesterday for Cedar Rapids, Ia., where the Boilermakers were booked to work out at Coe College before going to Iowa City for tomorrow's clash.

Coach Cecil Isbell named left guard Dick Barwegen acting captain for the Iowa battle.

At Iowa City, coach Dr. Eddie Anderson named Bob Smith, right halfback from Ranger, Tex., game captain against Purdue. Anderson said Dick Woodward, center, Bruno Nieziela, right tackle, and either Sherman Howard or Henry Miller, right end, none of whom started against North Dakota State last week, were assured of berths in the Boilermaker clash.

From Other Camps:

Minnesota The Gophers will carry a 15-pound per man advantage over Nebraska Saturday. Minnesota placed stress on tackle maneuvers yesterday and physically the squad was in good condition except for injuries to end Herb Hein.

Ohio State The Buckeyes prepared to play before a record crowd of about 64,000 against Missouri. The squad ran through a one-hour workout, but end Jim Crane pulled a leg muscle going after a pass. He may not be able to play against the Tigers.

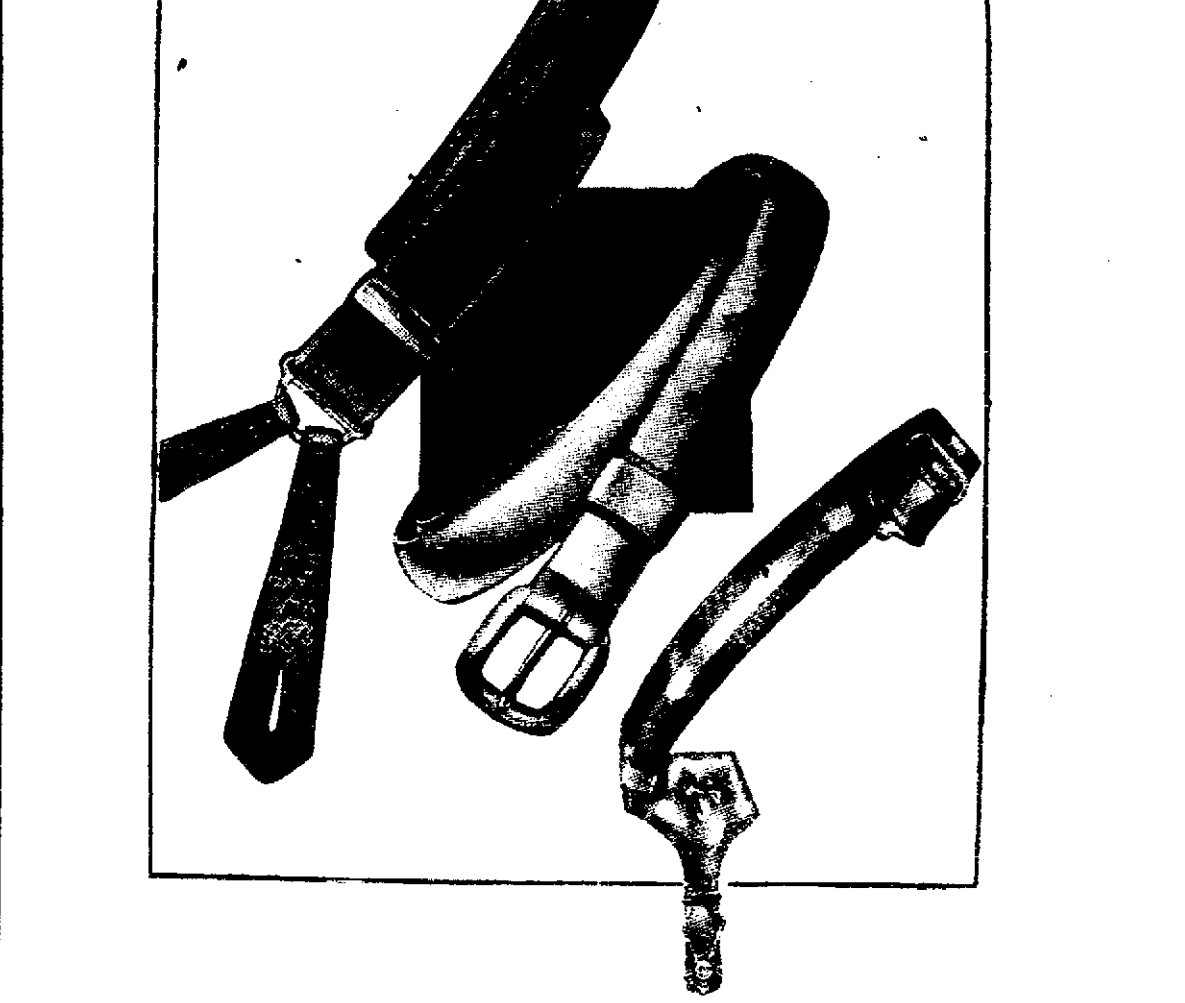

Northwestern—Today the Wildcats "B" team was to meet the Illinois "B" in Dyche Stadium, and Coach Lynn Waldorf said some of the "B" squad would graduate to the varsity and probably see action in tomorrow's game against Iowa State at Evanston.

Wisconsin—Coach Harry Stuhldreher and his 26-man Badger squad was quartered today at the old Heerst ranch outside Oakland, Calif., after a plane flight from Madison. A crowd of upwards of 60,000 was expected for the Badger-California game in Berkeley tomorrow.

OPA Announces Hike In Work Shirt Prices

Washington, Sept. 26.—(AP)—Standard work shirts soon will cost about ten per cent more, the OPA said today in announcing that henceforth manufacturers may compute ceiling prices on a flexible basis.

The agency said a work shirt which formerly sold for \$1.45 at retail now will sell for \$1.58.

PRACTICAL CLUB 40th ANNIVERSARY MARKED

On Tuesday, Sept. 24, the Practical Club met at the home of Mrs. C. P. Powell. Mrs. V. Mays was assisting hostess. Before the guests were seated all joined in singing "Auld Lang Syne". Fourteen members and one guest, Mrs. Raymond Worsley, enjoyed a delicious 1 o'clock luncheon served at small tables beautifully decorated with tapers and small flower pots filled with flowers in lovely yellow shades.

After the luncheon, a business meeting was held and the club voted to give a donation to the Boy and Girl Scout drive. Roll call was answered with each member giving a verse about her garden. The program which followed was in charge of Mrs. Powell, an as it was the 40th anniversary of the founding of the club, the subject was "Reminiscences of the Club". She told of the organizing of the club and its first members and the many changes that have taken place through the years. Everyone enjoyed the interesting history that Mrs. Powell gave so much time to prepare. Mrs. Mays and Mrs. Powell are the only charter members belonging to the club. After the program, a social hour was enjoyed. The club will meet again on October 8 at the home of Mrs. Homer Senneff.

HOLD SURPRISE PARTY FOR SON'S BIRTHDAY

On Tuesday evening, Mr. and Mrs. Cecil Kellen of 411 West Fourth street, gave a surprise birthday party in honor of their son, Joe's 21st birthday and Beverly Knudsen's 18th birthday. The entertainment for the evening took place in a large garage which had been decorated in red, white and blue. The first part of the evening was spent playing "fifty" and high and low prizes for the girls was won by Betty Schlupp and Frank Smallwood; and high and low prize for the boys was won by Frances Tully and Bob Dahler.

A delicious lunch was served by Mrs. Kellen, after which "Babe" and Joe opened the many gifts they received from their friends. The rest of the evening was spent dancing. Those present were: Mr. and Mrs. Kellen and Joe, Mrs. Anna Blackburn, Mr. and Mrs. Frank Eccles and sons, Mr. and Mrs. Harold Knight and Shirley, Leo Blackburn, Mrs. Knudsen, Eileen, Norma, Beverly, Bernard and Chub Knudsen, Betty Schlupp, Virginia Woolsey, Ray, Ross and Roland Hicks, Frank Smallwood, Frances Schoaf, De-

Radioactive Animals from Bikini to Provide Vital Medical Data

Navy 'Ark' Arrives Bearing Atomic Bomb Test Survivors

Vital information on diagnosis and early treatment of radiation sickness is expected to be obtained from a cargo of 2,500 goats, pigs and rats, recently landed from the USS Bureston at Washington Navy Yard. The animals, survivors of the 5,000 used in the Bikini Atoll atom bomb tests, will be studied by scientists at the Naval Medical Research Center, Bethesda, Md., for possible effects of radioactivity on humans. Some of the animals developed an anemic condition after being exposed to the bomb's rays and were given blood transfusions to keep up their blood count, like "Goat No. 23", pictured at right. At left, another angora goat, victim of radioactivity, is hoisted from the Bureston's hold. Exposure to radioactive rays is thought to produce sterility, but the rat pictured above apparently escaped this fate. She is shown with her two-day-old litter of young ones.

CPA Aided Kaiser in Getting Scarce Items

Washington, Sept. 27.—(AP)—Civilian Production Administrator John D. Small acknowledged today that his agency ordered the soda ash industry to supply a Henry Kaiser aluminum plant although advised it would mean cutting production elsewhere.

Senator Ferguson (R-Mich) brought out during questioning of Small before the senate war investigating committee that the order was issued "two or three weeks ago."

In brief, Small's testimony was that a Kaiser plant in Louisiana needed soda ash, now very scarce, in order to produce aluminum.

CPA called in representatives of the soda ash industry for a conference. An order requiring deliveries to Kaiser was subsequently issued.

"Didn't the (soda ash) industry say glass and other industries turning out housing materials would be affected?" Ferguson asked.

"They said demand for soda ash was so great that they would have to take it away from other customers," Small replied.

Undertaker, Stricken in Hearse, Succumbs

Gary, Ind., Sept. 27.—(AP)—An undertaker was fatally stricken today while driving a hearse to Elgin, Ill., to Michigan City, Ind.

Glenn M. Eshelman, 45, of Elgin, died in Mercy hospital shortly after he became ill at a downtown intersection while at the wheel of a hearse containing the body of Melvin M. Lloyd, 78, who died yesterday at Elgin.

Eshelman attracted the attention of a traffic policeman who summoned an ambulance. Another member of the Gary police department drove the hearse to Michigan City where Lloyd's funeral is to be held.

Eshelman is survived by his widow, a son John M. Eshelman of Elgin, and a daughter, Mrs. Fred J. Ulanz whose husband is an army medical officer, stationed at Fort Sam Houston, Tex.

Slayer Gets Life for Indiana Gun Murder

Bloomington, Ind., Sept. 27.—(AP)—Elmer Lewis of Noblesville, Ind., was sentenced to life imprisonment today for the slaying of Henry S. Evans, Rock Island, Ill., carpenter, whose decapitated body was found Sept. 1 near the cabin he had shared with Lewis.

The sentence was pronounced by Judge Q. Austin East in Monroe county Circuit court. Lewis had confessed the crime last week when arraigned before the judge.

Lewis was sentenced upon a charge of second degree murder. He will be taken to the state prison at Michigan City next Monday or Tuesday to start serving his sentence.

Lewis had told Judge East he shot Lewis with a shotgun in a quarrel. Authorities believe Evans' head was severed from the body by rodents as it lay under a hillside pine for several weeks before being discovered.

Evans was working on construction at Indiana University. Lewis surrendered to police at Noblesville after hearing he was being hunted.

State Farm Income is Third High in Nation

Washington, Sept. 27.—(AP)—Illinois had the third highest farm income, behind Iowa and California, for the first six months of this year, the Agriculture department reports.

Cash receipts of farm income in Illinois for the first half of 1946 amounted to \$531,657,000 compared with \$532,352,000 for the corresponding period of 1945. National farm income amounted to \$8,726,351,000, a decrease from \$8,899,690,000 in the first six months of 1945.

Iowa contributed \$742,635,000 to the national total, or about \$2,000,000 more than its closest rival, California, with \$740,882,000. Iowa's total was \$33,049,000 more than for the first half of 1945.

MacArthur Rumored Ready to Purge Japs

Tokyo, Sept. 27.—(AP)—Speculation that a major policy pronouncement by General MacArthur is in immediate prospect gained credence today in both occupation and Japanese circles. A flood of rumors and at least one newspaper article, dwell on the possibility of a purge of economic leaders.

Throughout more than a year of occupation, there has been much speculation among Japanese that MacArthur eventually would deal with financiers and industrialists, whom many felt were co-workers of the militarists, if not manipulators, in Japan's aggression.

Dixon Will Hear Violin Version of "Polonaise" First

Rubioff to Present His Rendition of Famed Piano Solo

When Chopin, moved to the depths of his soul by the treachery and tyranny confronting his native Poland, wrote the immortal "Polonaise" his brilliant technique was limited to the keyboard of his piano but music lovers of Dixon and nearby communities will hear for the first time almost as it directed from another world—the full score of the Polonaise not as a piano solo but as a violin interpretation by the famed Rubioff and his violin. The maestro appears at the Dixon high school auditorium Oct. 2 under sponsorship of the Dixon Lions club.

Rubioff who graduated from the Warsaw conservatory at the age of fourteen, knows Poland—knows deeply the Poland which Chopin set to music. Now with the rendition of the Polonaise as a violin solo Rubioff fulfills a promise made many years ago to the dean of all American music—a pledge made as a child to the immortal Victor Herbert.

Heard It in Poland
Discovered by the brilliant American composer in Warsaw Rubioff was brought to this country by Herbert. Earlier at the Warsaw conservatory the young prodigy Rubioff sat with Victor Herbert as they listened to a great pianist of that day render the stirring Polonaise. "Some day," Rubioff said to this older companion, "I shall write a violin arrangement of that composition."

Years intervened and the great Herbert passed away. Rubioff became a household name and America learned that Rubioff and his violin were as much a part of life as coffee & doughnuts. Radio appearances moving pictures nationwide concert tours—the acclaim of millions and literally thousands of renditions of the world's best loved music—but in between times

To Play Here

RUBIOFF

in every free moment, Rubioff worked on his arrangement of the Polonaise.

And now, in this first full year of post-war peace when once again tyranny and aggression have been stamped out by freedom Rubioff and his violin give to America the fulfillment of that promise made many years ago—the Polonaise with all the warmth and human expression of the artist and his \$100,000 Stradivarius.

His Rendition Popular
Music critics throughout the country who have heard a pre-concert rendition of the Rubioff arrangement have been simply eloquent in their unanimous praise and admiration. One well known metropolitan reviewer wrote: "In a spirit of humbleness I relished the Chopin Polonaise. It is regrettable only that the great composer himself with his own intimates—Franz Litz, George Sands and other contemporaries could not have been present last night."

Reception of the Polonaise as a violin solo has been equalled only by the maestro's current feature number of his concert—his own arrangement, also for the first time in history as a violin solo, of the Warsaw Concerto.

Tickets for Rubioff's concert are available at many Dixon stores.

Hollywood

BY BOB THOMAS

Hollywood, Sept. 26—(AP)—Attention, movie stars: Are you tired of ermine-lined swimming pools, of counting thousand-dollar bills far into the night? Then listen to Bontia Granville.

The art of sliding from stardom to oblivion is herein described by Bontia, who, despite her youth, has done a good job of staying around these many years. Here's the fastest route to nonentity:

1. Tell everyone who will listen that you can act rings around Clark Gable or Bette Davis.
2. No matter how much money you're making, ask for more.
3. Don't hesitate to criticize all the big stars and directors.
4. Be as difficult as possible with the cameraman and make-up man.
5. Tear up all fan mail unopened and give the brushola to autograph seekers.
6. Always tell your director how a scene should be played.
7. Date as many people as possible.

Young M'Cutcheon Back from Europe

Cambridge, Mass., Sept. 26—(AP)—Young George Barr M'Cutcheon, name sake nephew of the late novelist and son of the famous Chicago Tribune cartoonist, John T., was expected to register for Harvard classes today unperturbed by the string of headaches he gave immigration officials in Europe.

The 35-year-old Lake Forest, Ill., youth arrived in Montreal yesterday from Britain aboard the same steamer, Empress MacArthur, after talking his way from the United States to Trieste across France and into England without a passport.

He went to Europe early this month as an UNRRA worker aboard a cattle boat. Arriving at Trieste, he got ashore with only Fulton Alexander, Pulaski and a leave pass, and set out few

hours later to visit a girl friend in London.

June Sylva, daughter of Vernon Sylva, the London playwright, was quoted thus:

"Barr just talked his way past the frontier guards. His French wasn't so good, so he just waved his shoreleave pass and they finally stamped it."

Yes! WARDS HAVE Kem-Tone

THE MIRACLE WALL FINISH

2.98 98c per quart per gallon

- One coat does the trick!
- Simple to apply!
- Water serves as thinner!
- Dries in 1 hour!

KEM-TONE stands for beauty plus economy. You can redecorate an average room on a gallon, using only water for thinner. Leaves no unpleasant paint odor! Any of the smart colors is easily applied with a brush or "Roller Coater".

A FRIENDLY LOAN HITS THE SPOT!

May M. was an ambitious young lady. She dreamed of stepping out of her present job into something better. Proper business training seemed to be the thing she needed, but her income wasnt sufficient to pay the entire cost at once.

Her room-mate urged her to see us. Without embarrassment to her, red tape, or delay, we advanced the funds she needed. Now May is a well-paid secretary. We transact loans in absolute privacy... quickly and simply. Your signature is all we need. Come here for prompt, courteous, loan service.
